

THINK OUTSIDE THE CLASSROOM

Nevada has over 8 million acres of public lands that are home to thousands of plant and animal species. Come meet your neighbors.

4 days. 4 classes. 4 public lands. 8 CU's.

6/6/22

LAKE MEAD NATIONAL RECREATION AREA

ECOLOGY (3rd - 5th grade)

Registration link: <https://getoutdoorsnevada.app.neoncrm.com/np/clients/getoutdoorsnevada/event.jsp?event=378&>

These classes will introduce teachers to the wild places in southern Nevada and give tools and tips for using these natural places with students. Classroom and field activities are engaging, immersive, integrated, and connected to the Nevada standards. Start your summer off in these beautiful places, learning and earning credits.

COURSE INSTRUCTORS: Amy Page & Paula Garrett
REGISTER TODAY! Trainings are from 9am to 4pm and limited to 20 participants on a first come first serve basis. Course is free of charge. Email any questions to snapprojecteduc@gmail.com.
